

PROGRAM OBJECTIVE

The goal of *Neuroimaging Clinics of North America* is to keep practicing radiologists and radiology residents up to date with current clinical practice in radiology by providing timely articles reviewing the state of the art in patient care.

TARGET AUDIENCE

Practicing radiologists, radiology residents, and other healthcare professionals who utilize neuroimaging findings to provide patient care.

LEARNING OBJECTIVES

Upon completion of this activity, participants will be able to:

1. Review typical and atypical neuroimaging findings in order to promote early diagnosis and monitoring of CNS infections.
2. Discuss the advantages of using neuroimaging into CNS infection diagnosis and treatment planning.
3. Recognize the value of using neuroimaging in multidisciplinary teams to rapidly develop, precisely diagnose, and treat CNS infections.

ACCREDITATION

The Elsevier Office of Continuing Medical Education (EOCME) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The EOCME designates this journal-based CME activity for a maximum of 13 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

All other healthcare professionals requesting continuing education credit for this enduring material will be issued a certificate of participation.

DISCLOSURE OF CONFLICTS OF INTEREST

The EOCME assesses conflict of interest with its instructors, faculty, planners, and other individuals who are in a position to control the content of CME activities. All relevant conflicts of interest that are identified are thoroughly vetted by EOCME for fair balance, scientific objectivity, and patient care recommendations. EOCME is committed to providing its learners with CME activities that promote improvements or quality in healthcare and not a specific proprietary business or a commercial interest.

The planning committee, staff, authors, and editors listed below have identified no financial relationships or relationships to products or devices they or their spouse/life partner have with commercial interest related to the content of this CME activity:

Brenda Sze Peng Ang, MBBS, M Med, MPH; Yun Jung Bae, MD; Puneet Belani, MD; Sanders Chang, MD; Tchoyoson Lim Choie Cheio, MBBS, MMed; Thoon Koh Cheng, MBBS, MRCPCH, MMed; Michael Tran Duong, PhD; Christopher G. Filippi, MD; Rakesh Gupta, MD; Rajan Jain, MD; Pradeep Kuttysankaran; Aleum Lee, MD, PhD; Leandro Tavares Lucato, MD, PhD; Thiago Augusto Vasconcelos Miranda, MD; Monique A. Mogensen, MD; Suyash Mohan, MD, PDCC; Yoshiaki Ota, MD; Mina Park, MD, PhD; Norlisah Mohd Ramli, MBBS, FRCR, FAMB; Jeffrey D. Rudie, MD, PhD; Jitender Saini, MBBS, MD; Shiipa Sankhe, MBBS, MD; Michael Schecht, MD; Rekha Siripurapu, MBBS, MRCP, FRCR; E. Turgut Tali, MD; Chong Tin Tan, MBBS, FRCR, MD; Phua Hwee Tang, MBBS, MMed, FRCR; Umapathi Thirugnanam, MBBS; Doreen Thomas-Payne, MSN, BSN, RN, PMHNP-BC; Kazuhiro Tsuchiya; Kum Thong Wong, MBBS, MPath, FRCPath, MD; Jun Fang Xian, MD, PhD; Hajime Yokota, MD, PhD

The planning committee, staff, authors and editors listed below have identified financial relationships or relationships to products or devices they or their spouse/life partner have with commercial interest related to the content of this CME activity:

Joel M. Stein, MD, PhD: Researcher: Hyperfine, Inc; Consultant: Centaur Labs

UNAPPROVED / OFF-LABEL USE DISCLOSURE

The EOCME requires CME faculty to disclose to the participants:

1. When products or procedures being discussed are off-label, unlabelled, experimental, and/or investigational (not US Food and Drug Administration [FDA] approved); and
2. Any limitations on the information presented, such as data that are preliminary or that represent ongoing research, interim analyses, and/or unsupported opinions. Faculty may discuss information about pharmaceutical agents that is outside of FDA-approved labelling. This information is intended solely for CME and is not intended to promote off-label use of these medications. If you have any questions, contact the medical affairs department of the manufacturer for the most recent prescribing information.

TO ENROLL

To enroll in the *Neuroimaging Clinics of North America* Continuing Medical Education program, call customer service at 1-800-654-2452 or sign up online at <http://www.theclinics.com/home/cme>. The CME program is available to subscribers for an additional annual fee of USD 265.00.

METHOD OF PARTICIPATION

In order to claim credit, participants must complete the following:

1. Complete enrolment as indicated above.
2. Read the activity.
3. Complete the CME Test and Evaluation. Participants must achieve a score of 70% on the test. All CME Tests and Evaluations must be completed online.

CME INQUIRIES/SPECIAL NEEDS
